

Online Education for Pastors and Ministry Leaders

Letter from the President

Welcome to Teleo University. We are an online distance education institution committed to equipping pastors and church leaders with world-class practical ministry training without leaving their churches and networks of ministry relationships.

Teleo is a Koine Greek word that means 1) *to bring to a close, to finish*; or 2) *complete or fulfill a command*. In the New Testament, the Apostle Paul used *Teleo* in 2 Timothy 4:7, "I have fought the good fight, I have finished the race." Again, in John 19:30 as Jesus died on the cross for our salvation, He said, "It is finished." In Acts 1:8 and Matthew 28, Jesus told his followers that they would be His witnesses in their cities, their countries, and throughout the whole world until the Great Commission was *finished*. *Teleo* captures our passion for *finishing* the Great Commission by being and making disciples of all nations.

We believe the Great Commission can and will be *finished*. We believe the whole world will be filled with the knowledge of the glory of God. It is our all-consuming passion to do everything we can, through the power of the Holy Spirit, to see it through. Join us in this obeying Christ's call to *finish* the Great Commission. I can think of no greater pursuit in our lifetime.

History and Heritage

The Teleo University story began in **1991** when T-Net was founded by Bill Hull, a pastor committed to returning his church and others to their disciple making roots. T-Net is an interdenominational ministry **committed** to coaching pastors and church leaders to **finish** the Great Commission in their congregations, regions, and in every country of the world. Finishing the Great Commission in every country of the world so that no nation is unreached is what we call **PROJECT ZERO** because the mandate of "all nations" or "all ethnos" ends at ZERO.

After years of partnering with Christian colleges and seminaries to grant degrees, T-Net founded Teleo University to serve the thousands of pastors completing T-Net's Theological Education by Extension in dozens of countries in Africa, Asia, and the Americas. In 2026, Teleo University became an independent Christian university and continues to partner with T-Net International to fulfill the Great Commission in every nation through the **Project Zero** initiative. T-Net will continue to train international pastors to multiply disciple making churches. And Teleo University offers online education and degrees that incorporate T-Net's rigorous training program curriculum. We follow the principle found in 2 Timothy 2:2, "Teach faithful men who can teach others also" until the Great Commission is finished...**Because the Mandate ENDS AT ZERO.**

Teleo University Distinctives

Teleo University plays a unique role in global Theological Education. Teleo University's focus is on *Finishing* the Great Commission of Jesus (Matthew 28:19-20) in each nation of the world by empowering indigenous pastors and church leaders. Teleo University only seeks students who are currently pastors, church planters, or key lay leaders who are members of the T-Net global network of disciple makers. These Christian leaders do not need to leave their ministries and families to attend classes. Teleo University offers no resident campus learning. Instead, students must remain in a local

Teleo University professors share their knowledge with students through a cross-culturally tested curriculum. Students engage in online instruction guided by their professors, empowering them to receive practical theological education while continuing to serve in their local church ministry.

Teleo University encourages non-credit participation in T-Net Training Centers, where students benefit from pastoral care, fellowship, collaboration with fellow students, and peer mentoring from those who have studied and applied much of this curriculum in their ministries.

What are the benefits?
